Hog vs. Man.

An Eastern exchange has, after some figuring, arrived at the following conclusions: The railroads will carry a man from New York to San Francisco for \$80. They will carry a hog weighing the same as a man for \$6. Congressmen free. The advantages in favor of being a hog are \$74, and the advantage of being a Congressman is \$80. The people are not in it when it comes to a show down with the hogs and the Congressmen.

DESCRIPTION AND TERMS:

CREOLE is the gamiest, fastest and best bred stallion that has ever been imported into the Hawaiian Islands. He reduced his record of 2:20 to 2:18 in Petaluma, Cal., August 24, 1894, distancing his whole field in the first heat; then again to 2:15 in Stockton, Cal., September 23, 1894, winning the first heat in 2:15, fourth heat in 2:15, and fifth heat in 2:19, proving that he is a remarkably game as well as a speedy race horse. ("Creole by Prompter out of Grace by Buccaneer shows that he is capable of getting a mark of 2:10 and is one of the gamiest stallions seen this year, and besides being game, is one of the best formed, and remarkably intelligent."—Breeder and Sportsman, Sept. 25, 1894.) He is 16 1/2 hands high and of powerful build throughout. His color is glossy black with one white hind foot. His disposition is all that could be desired, and his action superb. He is a sure foot getter.

Terms \$50, with usual return privilege. Will make the season at the
